MEMORANDUM TO: Director, Political Affairs Division  
FROM: ACIA  
SUBJECT: Talk with Boris Meisner  
# 372

In my conversation with him on September 22 in Bonn, Boris Meisner, Chief of the Russian Desk at the Bonn Foreign Office, emphasized the following two points:

1. The Bonn position vis-a-vis the West has not changed. The Federal Republic will continue to work in close partnership with the Western countries.
2. There is little likelihood that the American Committee will have to leave Germany in the foreseeable future. Meisner emphasized that the Germans might be compelled to consider such action when the prospects of reunification are favorable to the point where the American Committee would be expendable.
